*Sixty high-yield pediatrics cases helps students sharpen their diagnostic and problem-solving skills*

*The Case Files* series is an award-winning learning system proven to improve shelf-exam scores and clerkship performance. Unlike other books on the market, this series helps students learn in the context of real patients instead of simply memorizing. *Case Files Pediatrics* teaches students how to improve their diagnostic and problem-solving skills as they work through sixty high-yield clinical cases. Each case includes a complete discussion, clinical pearls, references, and USMLE-style review questions with answers. The fifth edition has been updated to include a new Case Correlations feature which highlights differential diagnosis and related cases in the book.

- Updated to reflect the most current high-yield clerkship topics and the latest in medical management and treatment
