Would you like to know how to turn your personal property into a homestead that makes money?

Are you interested in learning how to grow vegetables and herbs, as well as how to fertilize them all without having to spend a dime after your initial investment?

Then you've found the right book! There are so many advantages to growing your own food and raising your own meats, money being one of them!

### **In this book, you'll find invaluable information such as:**

- The top ten things you need to know about vegetable gardening.
- How to grow herbs successfully.
- How to use worm castings to fertilize your garden and how to create your own worm farm in a bucket.
- How to preserve the foods you've grown nine different ways.
- How to raise chickens for eggs.
- And so much more!

Homesteading is becoming a new, popular way of making money and of living off the grid, but it's not a new idea. Our ancestors used to live off their land their entire lifetimes, and it's a great opportunity that many people get to relive the ways of their ancestors. It's also a great way to lessen your carbon footprint and make the environment a little bit better.
