## **How to Resolve 7 Deadly Stresses** Institute in Basic Life Principles

This powerful new book gives new hope to the millions in America who suffer from sickness and disease. It offers Biblical insight on tracing disease and health problems to five basic factors - what you think, say, do, eat, and inherit - and identifies seven stresses that, if left unresolved, are likely to cause specific types of diseases. Most importantly, this new manual for health details how, through applying the commands of Christ, one can resolve or avoid each of the stresses. This resource is perfect for personal study or to give as a gift.
