**The Broad Fork: Recipes for the Wide World of Vegetables and Fruits** Hugh Acheson

**From James Beard Award winner Hugh Acheson comes a seasonal cookbook of 200 recipes designed to make the most of your farmers' market bounty, your CSA box, or your grocery produce aisle.**

In *The Broad Fork*, Hugh narrates the four seasons of produce, inspired by the most-asked question at the market: "What the hell do I do with kohlrabi?" And so here are 50 ingredients--from kohlrabi to carrots, beets to Brussels sprouts--demystified or reintroduced to us through 200 recipes: three quick hits to get us excited and one more elaborate dish. For apples in the fall there's apple butter; snapper ceviche with apple and lime; and pork tenderloin and roasted apple. In the summer, Hugh explores uses for berries, offering recipes for blackberry vinegar, pickled blueberries, and raspberry cobbler with drop biscuits. Beautifully written, this book brings fresh produce to the center of your plate. It's what both your doctor and your grocery bill have been telling you to do, and Hugh gives us the knowledge and the inspiration to wrap ourselves around produce in new ways.

#### **Chuck Bryson:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this *The Broad Fork: Recipes for the Wide World of Vegetables and Fruits* can make you really feel more interested to read.
