## **The Conqueror (Via Romana)** Mitchell Hayward

Rome, Italian Peninsula. 295 BC. The cogs of war grind again. And the Military is rebuilding itself into a much more swift and mighty beast. But politically, the situation has deteriorated, and the Italic tribes are displeased with the wilful Republic. Fidelis is hounded by the consequences of his former actions, deserting from the Nineteenth Legion only just two years into service, following the Battle of Volterra, against an Italic tribe that goes by the name – the Samnites. He is a simple and selfless man with a simple hope of what to make of his life. But there are two sides to Fidelis Princeps. He is caught between his two conflicting allegiances, which pressures the other with increasing friction, and tensions are boiling. He must choose his friends, his home, his battles, and he must choose his future. Via Romana - the Conqueror is a historic fiction on the early Roman expansions, wrapped with a personal story from the perspective of a remorseful deserter from the military, accurate war tales, erotica, comedy, and political intrigue.
