Come, Drink Deep of Living Waters: Faith Seeking Understanding in the 21st Century Barbara Fiand

We live in a time of bridging that invites us to learn, and then to accept with utmost respect, that what has provided us with a certain wisdom and security for several thousand years of movement around our star is today ebbing away and has, in fact, done so for at least a century or more. A time of bridging involves allowing for this realization and, with serenity, courage, and trust, seeking the footprints revealing who has walked among us unobserved all this time. Today this realization is lighting up with ever greater brilliance and being recognized and acknowledged with ever more urgency due to our scientific discoveries and spiritual insights. In this new book, with the wisdom of years, Barbara Fiand explores what time of bridging offers in new insights, and how we can understand our Christian faith in this new time.
