Megan fantasizes day after day about meeting a strict but loving dominant man, particularly a daddy-dom. She considers posting an ad on a dating site, but she just can't seem to work up the nerve to do so. When her boss leaves a teddy bear and a letter on her desk on Valentine's Day, she's not sure what to think—until she reads the contents of his letter.

Lance has lusted after Megan for years. When he peeks at the Internet history on her work computer, he's shocked to discover his cute little employee shares the same kinky interests as he does. He decides to make his move on Valentine's Day and win Megan's heart. More than anything in the world, he wants to be her forever daddy.

Note: This story contains spanking, elements of age play, and other naughty content between a boss and his employee as they find love on the sweetest day of the year.
