Defensa Apasionada Del Idioma Espanol/ a Passionate Defense of the Spanish Language (Spanish Edition) Álex Grijelmo

Every language holds the essence of the people that speak and have spoken them since their origin. With each word that disappears an idea originated by humankind dies. In this book, Álex Grijelmo looks to defend the Spanish language from all that threatens it ?schooling, the colonizing power of the English language, the apathy of those that are in control of the political, economic and informative powers. Through progress and coexistence of all the different cultures that constitute the Hispanic world, the author searches for the clues that will allow us to overcome this potential crisis. Description in Spanish: Todas las lenguas atesoran un genio interno que guarda las esencias de los pueblos que las hablan y las han hablado, jamás una lengua se debe utilizar contra otra. Con cada palabra que desaparece se pierde una idea creada por el ser humano. El idioma español se ve amenazado por la educación escolar, la fuerza colonial del inglés y la desidia de una gran parte de quienes tienen el poder político, informativo y económico. Álex Grijelmo busca las claves para superar esta situación a través del progreso y la convivencia entre las culturas que conforman el mundo hispano. El lector encontrará aquí una defensa, nunca un ataque.
