Globalization, Development and Security in Southeast Asia: The International Political Economy of New Regionalisms (The International Political Economy of New Regionalisms Series) (v. 3)

Globalization, Development and Security in Southeast Asia: The International Political Economy of New Regionalisms (The International Political Economy of New Regionalisms Series) (v. 3)

This third volume of three accepts that globalization is both the context within which Southeast Asian countries must function and is a process which governments and businesses have embraced. The focus of this text is on how the phenomenon of globalization has affected individuals' well-being and the community security.
