## **Living With Lies Trilogy: Books 1, 2 and 3 of the Dancing Moon Ranch Series: three titles under one cover (Volume 1) Patricia Watters**

LIVING WITH LIES TRILOGY BOOKS 1, 2 and 3 of the DANCING MOON RANCH SERIES: Three contemporary western romances under one cover. The Prequel (JUSTIFIED DECEPTION) and the twelve books in the Dancing Moon Ranch Series that follow are intended to be read in sequence as each story moves forward in time, the entire series spanning thirty years.

**BOOK 1: RIGHTEOUS LIES** - Grace Templeton thought the child she'd been carrying for seven months was the child of her dead husband. Jack Hansen thought the sperm he'd donated had gone to the wife of his sterile twin. And then they learn that the vials of sperm at the fertility clinic were accidentally switched. The shock sends Grace into early labor, and the only place she can have complete bed rest is at the Dancing Moon Ranch owned by Jack and his twin. But soon, Grace finds herself falling in love with a hard-edged cowboy who appears to want to control every aspect of her life, now that she's carrying his son. But Jack has his reasons. He also has no intention of marrying, and Grace is determined to learn why.

**BOOK 2: PANDORA'S BOX**- Justine Page used her beauty and her body to make her way up the corporate ladder. But when a relationship with a CEO goes sour, and she finds herself without a job or a place to live, she goes to the Dancing Moon Ranch to stay with her sister, Grace, and reassess her life. Brad Meecham, a war correspondent with post-traumatic stress, who has taken a cabin at the ranch to try and deal with mind demons, is intrigued by Justine, who's determined to put her checkered past behind. However, about the time he thinks they could make a life together, a daughter Brad never knew existed is delivered to him when her mother dies. Suddenly, he finds himself with a child who wants nothing to do with anyone but Justine, and he knows without question that a woman who slept her way to the top will never be a candidate for step-mother. But then, Brad fails to factor in the power of love to bring together a flawed woman and a troubled child, and his need to have them both in his life.

**BOOK 3: FALSE PRETENSES**- Jayne Hamilton has a dark secret she's carefully guarded and which she hopes will stay hidden until she lands the job at Dancing Moon Ranch. But as Sam Hansen interviews her, he's uneasy. Things don't add up. Still, he hires her without running a background check because his mother wants to retire from the guest ranch end of the operation, and neither Sam nor his twin, Jack, want to take over that job. A guest ranch manager would free them of that burden. But soon, Sam finds himself blindly attracted to Jayne, even though he knows she's hiding something... something that has to do with a child. But Sam also senses that there's much more.

The DANCING MOON RANCH SERIES continues with Books 4, 5, and 6 in THE LIES UNCOVERED TRILOGY; Books 7, 8 and 9 in CUTTING THE TIES TRILOGY; and Books 10, 11, and 12 in BOUND BY LOVE TRILOGY. Note: Book 12 (FINDING JUSTICE) will be available in 2015.

**AUTHOR'S NOTE:** The incident that is the basis for RIGHTEOUS LIES and the books that follow actually happened, and because fertility clinics are not regulated, such mistakes are not uncommon. Even hospitals are not exempt from error. Currently, at a well-known health-science university hospital, a lawsuit involving the implantation of embryos of different races, in the wrong women, is making its way through the legal

system. Women react to, and handle, such life-changing mistakes in vastly different ways, as is illustrated in Book 1 of the series. However, Grace Templeton and Jack Hansen, the hero and heroine of Book 1, **RIGHTEOUS LIES**, as well as all of the other characters in the Dancing Moon Ranch Series, are fictitious.
