The Dictionary of Espionage: Spyspeak into English (Dover Military History, Weapons, Armor)

Joseph Goulden

"In this accessibly written book, Washington author Joseph C. Goulden illuminates and defines much of the standard jargon of the intelligence community with refreshing asides about many of spying's urban legends."

— *The Washington Times*

What's a black bag job, a dead-letter drop, a honey trap? Who invented the microdot, and why do they call Green Berets "snake-eaters"? More than just an alphabetical series of definitions, this volume offers a fascinating insider's view of the lingo and operations of the CIA and the FBI, MI5 and MI6, Mossad, the KGB, and other top-secret organizations.

A compelling overview of the world of espionage from World War II to the present, this reference was assembled by a former intelligence operative. Loaded with anecdotal incidents that provide entertainment as well as information, it offers page-turning excitement from the clandestine world of spies and spying. A new Foreword by Peter Earnest, executive director of the International Spy Museum in Washington, DC, presents up-to-date insights.

From reader reviews:

Jose York:

In this 21st centuries, people become competitive in most way. By being competitive now, people have do something to make these people survives, being in the middle of often the crowded place and notice by surrounding. One thing that at times many people have underestimated the item for a while is reading. Yes, by reading a publication your ability to survive improve then having chance to stand up than other is high. For yourself who want to start reading some sort of book, we give you this particular The Dictionary of Espionage: Spyspeak into English (Dover Military History, Weapons, Armor) book as basic and daily reading guide. Why, because this book is usually more than just a book.

Jose Wilson:

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a information or any news even a huge concern. What people must be consider whenever those information which is from the former life are challenging be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you find the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take The Dictionary of Espionage: Spyspeak into English (Dover Military History, Weapons, Armor) as the daily resource information.

Teresa Graham:

People live in this new moment of lifestyle always try to and must have the extra time or they will get lots of stress from both way of life and work. So , once we ask do people have free time, we will say absolutely indeed. People is human not really a huge robot. Then we request again, what kind of activity have you got when the spare time coming to an individual of course your answer may unlimited right. Then do you try this one, reading publications. It can be your alternative inside spending your spare time, typically the book you have read is definitely The Dictionary of Espionage: Spyspeak into English (Dover Military History, Weapons, Armor).

Thelma Atkins:

This The Dictionary of Espionage: Spyspeak into English (Dover Military History, Weapons, Armor) is great book for you because the content and that is full of information for you who also always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great coordinate word or we can claim no rambling sentences within it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with wonderful delivering sentences. Having The Dictionary of Espionage: Spyspeak into English (Dover Military History, Weapons, Armor) in your hand like obtaining the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen

second right but this reserve already do that. So , it is good reading book. Hey Mr. and Mrs. stressful do you still doubt that will?
