Chesta's Way is the inspirational true story of a big-hearted woman named Chesta Wright who has a husband, two girls and two boys of her own, and a houseful of troubled foster girls to manage. In an effort to reach out to the adolescent girls, many of whom are ex-junkies and ex-prostitutes, Chesta hits on a plan of making each girl the mother of a newborn dairy calf, launching a unique program called City Kids and Calves. While Chesta helps heal abused young girls through the nurturing bonds of animal-assisted therapy, many members of her close community lend their helping hands. Chesta's Way is the story of a remarkable woman, her sacrificing, supportive family, an especially caring community, and their special way of serving at-risk kids.
