Everett L. Worthington, Jr. offers a comprehensive manual for assisting couples over common rough spots and through serious problems in a manner that is compassionate, effective and brief. Backed by years of experience and substantial research, hope - focused marriage counseling offers hope to counselors that they can provide help to troubled couples quickly, compassionately and effectively. This paperback edition includes a new introduction, summarizing the latest findings and developments in marital counseling and applying hope - focused marriage counseling to today's cultural and clinical realities.
