## **Why Can't I Have Everything? Teaching Today's Children to Be Financially and Mathematically Savvy, Grades PreK-2** Jane Crawford

In today's climate of financial extremities, it's more crucial than ever to integrate monetary and economic ideas into your mathematics teaching. This timely resource features over 40 lessons categorized by seven important financial literacy themes for young learners. The lessons include literature connections, corresponding formative assessments, games, suggestions for differentiating instruction, ideas for parents, and alignments to the Common Core State Standards for Mathematics. In the appendices you'll find reproducible letters for parents to go with the lessons, plus a final project that ties together all the lessons.
