It was my first time...

I had always wondered what it would be like to be with another woman, mostly because it was the cool thing to do back then. You know what I mean, back when you're in college and all the girls think being bisexual is cool. So I tried it...

Young, inexperienced, college student Rachel always gets horny at the thought of being with another woman. Nothing gets her tingling downstairs more.

So when her slutty roommate Joanna suggests a threesome with hunky collage boy Rob, Rachel can't say no. But will her inexperience and rattled nerves allow her to handle BOTH a man and a woman?

How would you handle your first time? Download now and find out.

Excerpt:

She didn't say anything, instead she grabbed my head and pulled me close. Her lips met mine and her tongue curled slowly in my mouth in the softest kiss I've ever had in my life.

I felt the heat coming from Rob's pants as he watched the two of us making out, I felt it like I felt the wetness leaking through the cotton of my panties. Half of the room had stopped what they were doing to watch the two of us making out...
