Cincuenta sombras de Freud. Laberintos del amor y el sexo (Spanish Edition) Constanza Michelson
En este libro, la psicoanalista Constanza Michelson nos introduce en las complejas conexiones entre el amor y el sexo. Por medio de un revelador análisis de impecable rigor, con un lenguaje accesible y no exento de humor, Cincuenta sombras de Freud nos lleva por el difícil devenir de las relaciones sentimentales y sexuales de nuestro tiempo, donde el amor sufre un aparente descrédito y el sexo pareciera ir en auge. Este libro está dividido en dos partes, que funcionan simbióticamente ya que cuando un cuerpo desea a otro, inevitablemente se cruzará —para bien o para mal— con la neurosis del amor. El truco de las “sombras de Grey”, es el de la erótica contemporánea, los enredos amorosos —románticos o no— disimulados en la sexualidad moderna. Y las otras sombras, las que restan al entusiasmo egótico sexual, son las de Freud. Por eso resulta indispensable el recorrido planteado por Michelson por todas estas sombras que habitan nuestras intenciones amorosas y sexuales. Un libro iluminador para esas dudas íntimas que no nos atrevemos a enfrentar, y que con gran amenidad y documentación nos entrega herramientas concretas para sobrevivir a los laberintos del amor y el sexo, hoy.

From reader reviews:

Michael Milliner:

What do you consider book? It is just for students as they are still students or it for all people in the world, the particular best subject for that? Just you can be answered for that concern above. Every person has several personality and hobby for every single other. Don't to be pushed someone or something that they don't desire do that. You must know how great and important the book Cincuenta sombras de Freud. Laberintos del amor y el sexo (Spanish Edition). All type of book would you see on many sources. You can look for the internet resources or other social media.

David McMillian:

Book is to be different for each and every grade. Book for children until eventually adult are different content. We all know that that book is very important for people. The book Cincuenta sombras de Freud. Laberintos del amor y el sexo (Spanish Edition) seemed to be making you to know about other knowledge and of course you can take more information. It is very advantages for you. The book Cincuenta sombras de Freud. Laberintos del amor y el sexo (Spanish Edition) is not only giving you considerably more new information but also to become your friend when you really feel bored. You can spend your own personal spend time to read your reserve. Try to make relationship together with the book Cincuenta sombras de Freud. Laberintos del amor y el sexo (Spanish Edition). You never sense lose out for everything in case you read some books.

Donald Fujita:

Many people spending their time by playing outside along with friends, fun activity using family or just watching TV all day long. You can have new activity to spend your whole day by reading through a book. Ugh, you think reading a book can actually hard because you have to use the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Mobile phone. Like Cincuenta sombras de Freud. Laberintos del amor y el sexo (Spanish Edition) which is having the e-book version. So , try out this book? Let's see.

James Shockley:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Cincuenta sombras de Freud. Laberintos del amor y el sexo (Spanish Edition) can make you experience more interested to read.
