Jane Austen

Emma (Vintage Editions) Jane Austen

“Emma” is a novel about youthful hubris and the perils of misconstrued romance. As in her other novels, Austen explores the concerns and difficulties of genteel women living in Georgian-Regency England; she also creates a lively comedy of manners among her characters. Before she began the novel, Austen wrote, "I am going to take a heroine whom no one but myself will much like." In the first sentence she introduces the title character as "Emma Woodhouse, handsome, clever, and rich." Emma is spoiled, headstrong, and self-satisfied; she greatly overestimates her own matchmaking abilities; she is blind to the dangers of meddling in other people's lives; and her imagination and perceptions often lead her astray. “Emma” has been adapted for several films, many television programs, and a long list of stage plays.
