Justice Tales Kris P. Kreme

The first superhero team exclusively created by the Kreme, has arrived.

In Justice Tales, meet the Justice Sphere, a team of superheroes who have left the world safe after a five year run against crime using their unique powerful abilities. Villains are no more and everyone wants to be a hero, everyone except one man who has a particular vendetta against the heroic team. This man has a plan, one that not only takes the the Justice Sphere and turns them morally upside down, into the most corrupt criminals on the planet, but also spirals the world into a chaos the likes of which society has never seen before.

As the members of the Justice Sphere turn from superhero to supervillain, they enjoy spreading pure perversity and debauchery to all walks of life, spreading fear and chaos. Using technology the world has embraced, the Justice Sphere embarks on a criminal justice trek like never before where criminal acts involve their own depraved justice and innocence is a thing of the past. Those fortunate enough to escape being corrupted only have time, time until they too are caught and turned into criminals and villains to spread like a disease across the planet.

Witness the epic story, a tale of heroism and villainy and all manner of perversion where the world ends not in apocalyptic disaster but with a bang and a thrust over and over. Witness the comic action and adventure in Justice Tales by Kris P. Kreme.
