**Montgomery's Vampires Series Complete Collection: Mercy's Debt, Mercy's Danger, Mercy's Destiny: Montgomery's Vampires Series** Sloan Archer  
CONTAINS BOOKS 1-3 IN THE MONTGOMERY'S VAMPIRES TRILOGY:

Book #1 in the Montgomery's Vampire's Series:

Mercy Montgomery has money troubles—big money troubles. A recent college graduate, she can't find a job to save her life. With bill collectors constantly nipping at her heels, she has no idea how she will ever come up with the money needed to keep her head above water. And she's sinking fast.

Mercy's monetary worries seem to be over after a mystifyingly pale stranger offers her a lucrative position at Dignitary, an underground organization that provides human decoys for wealthy bloodsucking clients . . . and vampires will do anything to remain anonymous.

As if congregating with the undead doesn't make life complicated enough for Mercy, there's a savage killer on the loose who appears to have a craving for her blood. Soon Mercy is torn between a dark underworld of supernatural intrigue and a simple life of practicality, and vampire billionaire Robert Bramson is the man she blames for her confusion. While Mercy's new life provides endless thrills, it just might be the end of her.

Book #2 in the Montgomery's Vampires Series:

Adjusting to domestic life in San Francisco with vampire billionaire Robert Bramson, Mercy struggles with a big secret she's hesitant to reveal—a prophecy that threatens to destroy everything she knows and loves . . . Not that she believes in supernatural predictions.

But when a mysterious illness befalls her immortal beau, Mercy begins to wonder if the secret she's keeping might be true. With the Vampire Globalist Organization out to eradicate her bloodline, she must now disappear. Hiding out in paradise may seem like every girl's dream, but when the world's most powerful immortals are out to get you, Mercy discovers that life can be a nightmare.

Book #3 in the Montgomery's Vampires Series:

When the love of her life inexplicably leaves the home they share, Mercy doesn't know what to believe, which vampire to trust, or where to turn for help. Most confusing of all is the mystery behind Robert's vanishing: Is he reveling in a romantic liaison with vampy femme fatale Serena or is it foul play?

In the thrilling conclusion to the Montgomery's Vampire's Series, new allegiances are formed, bloodlines are severed, and Mercy's life takes a startling turn. But not all surprises are bad ones, and Mercy begins to wonder if she might be destined to have a happily ever after ending after all. . . .
