Occupational Therapy Interventions: Function and Occupations Catherine Meriano JD OTR/L, Donna Latella EdD OTR/L

Occupational Therapy Interventions: Functions and Occupations, Second Edition is a unique and comprehensive text intended to provide the essential information required for occupational therapy practice in the physical approach to the intervention process. This practical and user-friendly text offers an entry-level approach to bridging the American Occupational Therapy Association's *Occupational Therapy Practice Framework, Third Edition* with everyday practice, specifically concerning interventions.

Dr. Catherine Meriano and Dr. Donna Latella focus each chapter of the text on an area of occupation, evidence-based practice, current intervention options, as well as a specific hands-on approach to grading interventions. Although the focus of the text is the intervention process, *Occupational Therapy Interventions: Function and Occupations, Second Edition* also includes a detailed "Evaluation Grid" which offers a unique approach to choosing occupational therapy evaluations.

New in the Second Edition:

Instructors in educational settings can visit www.efacultyounge.com for additional materials to be used for teaching in the classroom.

With the incorporation of new evidence-based concepts, updates to reflect the AOTA's newest documents, and new hands-on approaches to interventions, *Occupational Therapy Interventions: Functions and Occupations, Second Edition* should be by the side of every occupational therapy student and entry-level practitioner.
