**The Accidental Fiancee** Zeenat Mahal

**‘...Tell me why exactly you want that ring on your finger so badly that you’ll even succumb, pitifully I may add, to your arch enemy?’**

An interesting short romantic story from **Zeenat Mahal**, the celebrated, best selling author **Haveli** and **The Contract...**

‘Bad boy’ Akbar and ‘firebrand’ Khayyam were rivals and enemies back in college, while studying architecture. While he laughed at her feminist sentiments and views on preservation, she denounced him as a commercial sellout with no originality or talent. Humiliated in front of his admiring hangers-on, Akbar will not pass up the chance to get his revenge when fate presents Khayyam as his unlikely fiancée.

Read this delightful story to discover what happens to these wildly different personalities when they reluctantly exchange rings.
