The Voice of Prophecy: Dual Magics Book 2 (Volume 2) Meredith Mansfield

When the two kinds of magic combine in one person, unexpected things happen. Sensing the presence of lions is one thing. Any member of the Lion Clan could do that. When Vatar sees the hunt through the eyes of one of the big cats—well, that's something else altogether. And that's only the beginning of the unusual manifestations of his magic. When a mysterious voice only he can hear volunteers ancient wisdom, Vatar knows he's in trouble. After enduring an Ordeal to prove he isn't haunted by an Evil Spirit, Vatar thinks he may be possessed after all. Or losing his mind. Or cursed. He must hide his Talent from his magic-fearing people or face consequences that don't bear thinking about. But he has to control it in order to keep it secret. And now he's not sure he can. It's enough to make him want to give up on magic altogether. But he's going to need all his wits—and all the magic he can muster—to defeat those who want to use him and his unique abilities for their own ends.
