World History in Brief: Major Patterns of Change and Continuity, Volume 1: To 1450 (8th Edition)

Peter N. Stearns

Emphasizes the major interactions among different peoples and societies.

World History in Brief highlights key events in world history, giving adequate treatment to the major issues, while leaving time for analysis and use of supplemental materials for critical thinking.

Part of the *Penguin Academics Series*, the text takes a truly global approach by balancing coverage of individual societies and focusing on forces that cut across them. Students are encouraged to compare societies, assess changes in interactions, and understand global forces such as migration and technological exchange.

The 8th edition is tied closely to MyHistoryLab to help save time and improve results. MyHistoryLab icons connect the main narrative to an array of MyHistoryLab resources, including primary source documents, analytical video segments, and interactive maps.

A better teaching and learning experience

This program will provide a better teaching and learning experience—for you and your students. Here’s how:
