Diplomacy: Theory and Practice, Second Edition

G. R. Berridge

Diplomacy: Theory and Practice, Second Edition G. R. Berridge

The series was launched in 1994. Its chief purpose is to encourage original scholarship on the theory and practice of international diplomacy, including its legal regulation. The interests of the series thus embrace such diplomatic functions as signalling, negotiation and consular work, and methods such as summitry and the multilateral conference. Whilst it has a sharp focus on diplomacy at the expense of foreign policy, therefore, the series has no prejudice as to historical period or approach. It also aims to include manuals on protocol and other aspects of diplomatic practice which will be of immediate, day-to-day relevance to professional diplomats. A final ambition is to reprint inaccessible classic works on diplomacy. This book deals comprehensively with diplomacy narrowly conceived, that is, as the conduct of relations between sovereign states through the medium of officials based at home or abroad. It is not, like some, a book on 'diplomacy;' nor is it, like others, a book on the British Diplomatic Service disguised as a book on diplomacy in general. It is a book on the processes and procedures of the diplomatic art that focuses chiefly on the recent past but is rooted in history, and it draws on evidence and examples from across the world. It is the only general textbook on diplomacy that has a major emphasis on negotiation (the most important function of diplomats), as well as a major chapter on unconventional diplomatic methods.

From reader reviews:

Richard Dutton:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each guide has different aim or maybe goal; it means that book has different type. Some people sense enjoy to spend their time and energy to read a book. They may be reading whatever they take because their hobby is reading a book. Why not the person who don't like studying a book? Sometime, man or woman feel need book after they found difficult problem as well as exercise. Well, probably you'll have this Diplomacy: Theory and Practice, Second Edition.

Jean Mora:

The particular book Diplomacy: Theory and Practice, Second Edition will bring someone to the new experience of reading a book. The author style to elucidate the idea is very unique. In the event you try to find new book you just read, this book very ideal to you. The book Diplomacy: Theory and Practice, Second Edition is much recommended to you you just read. You can also get the e-book in the official web site, so you can easier to read the book.

Susan Douglas:

Reading a reserve tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Having book everyone in this world may share their idea. Books can also inspire a lot of people. Plenty of author can inspire their own reader with their story or their experience. Not only situation that share in the guides. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on this planet always try to improve their skill in writing, they also doing some analysis before they write to their book. One of them is this Diplomacy: Theory and Practice, Second Edition.

Alva Stephenson:

Many people spending their time frame by playing outside with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by examining a book. Ugh, think reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Diplomacy: Theory and Practice, Second Edition which is having the e-book version. So , try out this book? Let's observe.
