## **En Tierra de Exiliados (Spanish Edition)** German Mingramm Yarza

En Tierra de Exiliados es una novela filosófico- existencialista que retrata la vida y el pensar de un adolescente en sus comienzos por la vida; su percepción ante la misma, y como durante el periodo en el que se lleva a cabo la historia, este mismo descubre muchos aspectos de él mismo, del mundo que lo rodea y del planeta Tierra. Con el transcurso de los capítulos y de la trama de este libro, el personaje principal comprende, como lo que en un principio, tan solo concibió como una idea, bien puede traducirse al cabo de las experiencias vividas, en una gran congruencia que tiene su razón de ser, tanto para él mismo, como para su entera realidad que lo hace ser. En Tierra de Exiliados, a través de metáforas, relata secuencias, retratos de varias historias o el de una sola, de un modo lleno de imaginativa, detalle y de un imprescindible juego de palabras; siendo esta una forma en la que el autor intenta relacionar todos esos mundos que habitan tanto fuera de nosotros, como en nuestro interior;... todos esos mundos por los que durante el pasar de nuestras vidas atravesamos para irnos forjando o irnos convirtiendo en lo que somos hoy. En Tierra de Exiliados, es sencillamente una novela que intenta hacer hincapié, que no existen los imposibles y que aquello por lo que alguna vez creíste haber nacido para, puede ser muy factible el poder realizar. Simplemente es necesario creer en uno mismo, en su propio vuelo y en lo que quiere hacer uno de si mismo mientras está presente en este ineludible esférico. El decidir y tomar decisiones, a fin de cuentas depende de nosotros mismos;... por lo que únicamente nosotros, somos quienes definimos si seguir hacia nuestro supuesto destino; o más bien, dirigirnos hacia aquello que más nos llena y apasiona hasta el último respiro y latir de nuestra alma humana. ¿Hasta que punto está nuestro yo?;... ¿hasta que punto esta nuestra relación con el mundo y nuestra función?;... ¿Quiénes somos, qué es esto en lo que rotamos y hacia donde va nuestra dirección?
