Oliver's Wildwood Vacation: Gay Erotica Donny Mumford

Oliver's much-needed family vacation has been fun so far. But he never expected he would undergo profound changes while in Wildwood... First, he becomes more adventurous. He receives a haircut from Alexander, whom he knows is gay, and finally gives in to his temptation. Alexander gives him a blowjob that makes way for a fuck the next day, and the next and the next... Oliver is on the beach having lunch when a kid named Tucker approaches him and compliments on his new haircut. They walk around and Tucker invites him to his aunt and uncle's place for a swim and some "sexy stuff." Tucker says Oliver has to follow rules for safety - including stripping off his clothing to skinny dip! But Tucker's attitude changes from being sweet to being confident and then being aggressive. And when he grabs Oliver's nuts and squeezes, Oliver realizes he must be crazy! Tucker wants him to be his submissive. Oliver finds a way to escape, but that is only one of the many adventures he experiences while in Wildwood. It's going to be one hell of a vacation!

SAMPLE 1: His fist goes around my boner to pull it away from my belly. After stroking it three times, Alexander puts the head of my cock against his front teeth and sucks on it with those full delicious lips of his, then he rubs it across his perfectly white teeth, going, "Mmmmmm." I arch my back as the head of my cock slides along his teeth, feeling the slight separation between each of them. In short order, he sucks my whole boner inside his mouth and an inch or so goes down his throat. I lift my butt off the seat at that, going, "Ump, ump...oh, oh..." Cristobal and I hadn't done any oral sex together so this is a first time experience for me, and it isn't a disappointing one. He pulls back off my boner and lips it and tongues it until I'm squirming on the stool, saying, "Ahhh, Oh, Alexander that's, ohhh." SAMPLE 2: I'd had my eyes tightly closed while climaxing and, like I said, it wasn't a good feeling so there's very little aftershock. I just want this stupid experience to get over with. Wiping the cum off my hand on the back of my T-shirt, I feel spurts of wetness on my thighs and open my eyes to see Tucker the pervert pulling on his four-inch boner and shooting off quite a lot of cum, most of it on me. He still has my nuts in his other hand so I wait. After awhile he says, "Whew, that rocked! How'd yours feel?" I say nothing and so he goes, "Okay, time for your one wish. What can I get you? We'll take a break for a few minutes. Isn't this fun?" I'm thinking, 'It's official. This fucker is as crazy as a junkyard dog...'
