You Can't Tell Kelly Key

Welcome to a warm, late September evening outside of Belleville, Tennessee in 1979. The local high school teens are gathering to party around bonfires on Terry Butler's farm to celebrate their football team's victory earlier that night. Just teens doing what teens did back then-cruising, parking, partying, and just general socializing. What they didn't know at the bonfires was that one member of this tight group would be murdered that very night. That murder would affect all their lives especially the small group of Terry, Amy, Kevin and Suzy. Kelly Key's new novel, *You Can't Tell*, lays out a story of innocence turned to evil. It is a tale of gossip, murder, and innuendo that changes the lives of these Belleville teens. As the suspicions rise, it's up to one of them to figure out who is really evil in this small town. Who is this killer? Sometimes, you can tell. Sometimes, you can't tell...
