Lucy, an archaeology student travels to Ireland to work on a newly discovered Viking site. She finds herself back in the cold, harsh world of 920 AD where she is quickly taken captive by an enigmatic and powerful Viking lord who has decided to claim her as his own. Initially resistant, Lucy soon loses her reservations in her desire to feel this mighty warrior throw her down and take her again and again, pleasuring her in ways she'd never imagined. However, trouble is brewing between the Viking invaders and the native Irish. Lucy soon finds herself held captive by a charismatic Irish chieftain who wants to keep her for his own. Torn between two men, Lucy must choose who she wants to be with - or whether to find her way back to her own time. Sizzling Viking erotica.
