## **Greek Tragic Theatre (Theatre Production Studies) Rush Rehm**

Emphasizing the political nature of Greek tragedy, as theatre of, by and for the *polis*, Rush Rehm characterizes Athens as a *performance culture*; one in which the theatre stood alongside other public forums as a place to confront matters of import. In treating the various social, religious and practical aspects of tragic production, he shows how these elements promoted a vision of the theatre as integral to the life of the city - a theatre focussed on the audience.
