Abby is dreading returning home from college. But when her dad rushes out to take care of his girlfriend in an emergency, she realizes she gets to have the house all to herself. She could dance, cook, lounge around **naked** if she liked! How great could things get?

Rick was supposed to stay at his best friend's house until he got his own place. An army man who prided himself on his **honor and dignity**, he didn't expect to see Abby prancing into the kitchen in the nude. Can he keep his cool, or will he give in to his most **instinctual urges** when Abby sees that he can't seem to look away?
