If You Won the Lottery Today, Would You Go to Work Tomorrow? Marcus Condit

Is there something you would rather do with your time other than spending so much of it working for a living?

Is your calling going unanswered simply because the rat race of the five-day, forty-hour workweek takes up all your time and leaves you drained of the energy to pursue your passion?

You can work less and live more! The rat race does not need to be a life sentence--you can escape. I did it and so can you!

In this book you will be introduced to a way of thinking that could well be your ticket to the life of your dreams.
