Jacqueline Bernard

Journey Toward Freedom: The Story of Sojourner Truth Jacqueline Bernard

First published in 1967 and based on extensive primary research, Jacqueline Bernard's widely praised biography of the remarkable woman known as Sojourner Truth is an important historical document, as compassionately told as it is engrossing to read. In the *New York Times Book Review*, Richard Ellman wrote: "Quietly factual when it suits her story, but lyrical when the demand arises, Jacqueline Bernard has succeeded on nearly every account. A good popular history." Truth was born a slave in 1797, gained her freedom some 30 years later, and at the age of 46 began a new life, traveling the country to preach about God and crusade against slavery. Known for her wit, her songs, and her great common sense, she electrified audiences as she championed women's rights, prison reform, and better working conditions.
