Excelling at a job interview can be a very difficult, complex task. The simple fact is that, no matter how strong your qualifications are, if you are not able to interview well, you won't get the job. What if you get nervous, or don't know the most effective ways to present yourself as the best person for the job? This book offers your solutions. Bonnie Lowe has broken down the complex job interview process into a simple, step-by-step system that you can use right now to achieve the best possible result: getting hired! It all boils down to one word: preparation. By going through each step of the Job Interview Success System, you will be better prepared and make a more favorable impression than any other candidate. The Job interview Success System consists of three major elements: (1) what to do before the job interview; (2) what to do during the job interview; (3) and what to do after the job interview. When you know what to do -- and NOT to do -- during every phase of the job interview process, you'll be totally prepared to win the job!
