Teacher's Edition: The Musician's Guide series integrates theory and analysis, aural training, and performance in one comprehensive pedagogical program. This Workbook includes written and analytical exercises for use with The Musician's Guide to Theory and Analysis. The exercises target every level of interest and ability, from the most basic to the most challenging. In each chapter, the Basic Elements section reviews fundamental concepts presented in the main text and provides brief practice exercises. Next, Writing Exercises, based on real music literature, focus on harmonizing melodies, realizing figured basses, and writing short compositions. Finally, the Analysis section begins with brief excerpts, followed by complete works, many of which are included in the Anthology. These exercises involve score analysis and short analytical essays. The Teacher's Edition provides answers to all the written and analytical exercises, and offers suggested answers for the analytical essays.
