Isabelle Scott and Mirabelle Monroe are still reeling from the revelation that they share more than just the roof over their heads. The media has pounced on their story, and while Izzie and Mira have each put on a happy public face, someone is leaking their true feelings to the press. It seems as if the world is watching their every move, but at least the girls have each other.

With cotillion season right around the corner, however, Izzie and Mira have barely had time to process their newfound sisterhood. Mira has dreamed of making her debut in a gorgeous white gown forever--now if only she had an escort... Izzie, meanwhile, is still struggling to find her place in Emerald Cove, which seems ever more impossible with EC mean girls, young and old, trying to keep her down. As cotillion preparations heat up, there are dance steps to learn, manners to perfect... and secret initiations to complete?

It's time for the gowns to go on and the gloves to come off.
