New Zen Doodle Patterns – Step by Step Guide

If you had been looking for a comprehensive guide to learn doodling, your search ends at Zen Doodle Art: New Zen Doodle Patterns – Step by Step Guide. You will find everything about doodling with explanations and pictures in this book. The initial chapters of the book deal with those details where you can discover your own methods of doodling. These methods include some tips and tricks, which need to be used with the right approach at the right time. In the latter part of the book, you will find some patterns of doodling, which you can use as it is from the book while you begin learning. Then, you will also see how you can use those patterns in other forms and also explore some designs on your own. We have not written this book to spoon-feed you the designs. Rather, you will be able to doodle all on your own, sometimes, even when you are not consciously aware that you are doodling!

Here is a preview of what you'll learn:

- All about doodle
- Basics of Drawing
- Doodle Art designs
- How to use the designs in various configurations?
