Instructors - Are you looking for a better way to manage homework? Want to save time preparing for lectures? Would you like to help students develop stronger problem solving skills? If so, eGrade Plus has the answers you need. eGrade Plus offers an integrated suite of teaching and learning resources, including an online version of Black's "Business Statistics for Contemporary Decision Making, Fourth Edition Update", in one easy-to-use Web site. Organized around the essential activities you perform in class, eGrade Plus helps you: create class presentation using a wealth of Wiley provided resources, which you may easily adapt, customize, and add to his content to meet the needs of your course; automate the assigning and grading of homework or quizzes by using Wiley provided question banks, or by writing your own. Student results will be automatically graded and recorded in your gradebook; track your students progress. An instructor's gradebook allows you to analyze individual and overall class results to determine each student's progress and level of understanding; and, administer your course. eGrade Plus can easily be integrated with another course management system, gradebook, or other resources you are using in your class. Providing students with problem solving support, eGrade Plus can link homework problems to the relevant section of the online text, providing context sensitive help.
