Erica, Miguel, and Me (My Best Friend and Her Boyfriend Want a Threesome!): A New Adult FFM Ménage a Trois Erotica Story Nycole Folk

Erica helped me study for an exam, and I told her if I aced the test I'd do anything she wanted. Of course, I thought it would be getting our hair done or maybe going shopping. I was absolutely shocked when she told me she wanted a threesome! Of course, I couldn't resist Erica and before long I had my very first lesbian sex and the most incredible experience of my life.

Warning: This ebook contains very explicit descriptions of sexual activity and includes FFM ménage a trois, first lesbian sex, deep throat, rough sex, and more. Only mature adults who won't find that offensive should read this ebook.

Here is a preview:

He looked at her like she was crazy, with a confused look on his face. She turned to me and wiggled her finger. When I climbed onto the bed, he understood and the confusion quickly gave way to excitement. She grabbed my hands and brought them to his chest, moving them so I was stroking him through his shirt. I got the idea and she let my hands go but reached out and guided my face to Miguel's. I kissed him briefly, a little awkwardly. It was more of a peck than a real kiss but it actually helped me a lot. I was about to sleep with a girl, and not just any girl but my best friend. I guess kissing Miguel reminded me there was a boy there, too, and that was comforting.

As he lay on the bed and our hands ran over Miguel's chest I looked at Erica. God she was beautiful! Her black hair hung down in such a sexy way. Some of it cascaded like a waterfall over her shoulder in the front. The rest flowed behind her other shoulder. I didn't know why I found that so sexy but there was something alluring about her hair and about Erica in general. It was strange to think that we were going to be intimate. I'd never been intimate with a woman and I was scared as hell, and I think that's why I was excited about Miguel. I guess the comfort of a man being there was something I was looking forward to, something I knew how to deal with in the midst of something scary and new.

Erica was working at Miguel's buttons so I moved both my hands down to help, unbuttoning from his waist while she unbuttoned from the collar. While we were unbuttoning his shirt she leaned forward and her lips met mine. I felt a crazy thrill. The weird thing about it was her hands never stopped moving on his shirt. Meanwhile I was experiencing her kiss as though the world had stopped just for that purpose.
