Garden of Domina: An Illustrated Story Namio Harukawa

Published bilingually in English and Japanese. A gorgeous gluteus, a bounteous bottom, a robust rump, even an ample ass: there are many ways to describe the pleasures of the oshiri (pronounced o-shee-ree.) In Harukawa Namio's delicately conceived drawings and their accompanying story, there emerges a holy bond of lust and love between cosmetics company president Ohara Kana and the men who would serve her. Kana loves to abuse men with her tremendous buttocks, and they explore the cruel joys found beneath her stunning endowment. Eventually, Kana creates a Garden of Paradise where she, her fellow lusty ladies, and their slaves discover the most exquisite ecstasies of the ass. A leading Japanese SM illustrator who has dedicated his oeuvre to the glories of the ass, Harukawa Namio both amuses and arouses his reader in this charming tale.
