Sexuality and the Sacred: Sources for Theological Reflection

Sexuality and the Sacred: Sources for Theological Reflection

This volume is rooted in two convictions: (1) sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and (2) sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality. The articles address what our sexual experience reveals about God, the way we understand the gospel, and the ways we read Scripture and tradition and attempt to live faithfully.
