The deadliest assassin in the empire just got too close to her target...

Azurha, an assassin known as the Rabbit, has just been offered the ultimate challenge—seduce, then murder the new Emperor. But Titus is not the tyrant his forefathers were, and his radical ideas might be the glimmer of hope the empire needs.

More than just Titus' ideas hold Azurha captive. Night after night, he awakens desires she thought lost, and uncovers the magic of her hidden lineage. As her deadline approaches, Azurha is forced to make an impossible decision—complete her job by killing the man she loves, or fail and forfeit both their lives.
