The wildflowers quartet: A 4-in-1 edition including Misty, Star, Jade and Cat V. C Andrews

"We lived in such a perfect world. Why were we so imperfect?" All Misty ever wanted was a normal family. But like so many others, Misty's parents didn't stay together. Now they use Misty to hurt each other, to deliver tiny cruelties in an endless stream. Misty knows her parents might love her. But Misty has an unspeakable secret that burns in the core of her very being: she hates them. Misty isn't as alone as she thinks. She's about to meet three other girls who are just like her -- each one with their own dark secrets to share.... Star hides her pain, like the other girls in the therapy group that's supposed to help them. But she knows how she feels deep in her heart. Even though her mother and father are still alive, they are dead to her. Today, it is her turn to reveal her secrets. Star will tell her story to doctor Marlowe and the others, and she will finally face the dark nightmares of her past.. Jade had listened to Misty and Star tell their stories. Now it is her time to speak. But she can't. "I felt like I was going to my own execution...." Cat had listened patiently as the other three girls in Dr. Marlowe's therapy group shared their innermost feelings. They had described their broken families honestly, to the point of pain. If Cat doesn't tell her own tale, the others will see it as a betrayal. So she has no choice. Or does she? Maybe she could lie -- just make something up. Anything would be better than the truth. For Cat has the darkest, most horrifying secret of them all....
