## **Charlie, Presumed Dead** Anne Heltzel

In Paris, family and friends gather to mourn the tragic passing of Charlie Price—young, handsome, charming, a world-traveler—who is presumed dead after an explosion. Authorities find only a bloodied jacket, ID'd as Charlie's. At the funeral, two teens who are perfect strangers, Lena Whitney and Aubrey Boroughs, make another shocking discovery: they have both been dating Charlie, both think Charlie loved them and them alone, and there is a lot they didn't know about their boyfriend. Over the next week, a mind-bending trip unfolds: first in London—then in Mumbai, Kerala, and Bangkok, the girls go in search of Charlie. Is he still alive? What did their love for him even mean? The truth is out there, but soon it becomes clear that the girls are harboring secrets of their own.

No one knows whom to trust in this thrilling tale of suspense and deception.
