Desperate Measures Misty Morgan

When Emma returns home from school one day with a full bladder and finds the front door locked and her key gone, she does what any desperate young lady would do under the circumstances...she lifts her skirt and pees in the front yard! What she does not know is that her next door neighbor is watching her. Emma is about to find out, however, for her neighbor has the only key to the house...and she is about to ask to borrow it. In exchange for the key – and his silence - her neighbor makes an unusual request. He wants to watch her pee...up close! Emma agrees, but she turns the tables on her blackmailing neighbor and takes control of the encounter! Not satisfied with simply being watched, the young co-ed soaks the older man under a golden shower, awakening in her a lust for watersports! She eagerly plunges into a wet and wild sexual relationship with her well-endowed neighbor that leaves them both drenched...and thirsty for more!
