**My hot, naughty wife wants to be shared.....filled.....dominated.....punished.....by me and two strangers in our hotel.....**

We were excited. We were finally going to get away for a few days, just the two of us. We weren't going to be watching.... We were just going. We arrived at the hotel and got settled in. We ordered a pizza, watched a movie, and then we just hung out that first night... On the next night to do nothing but relax... it was heaven. Our lovemaking that night was slow and romantic... nothing hurried. The next night however... my lover had a grand surprise for me.....

My lover and I met a couple that was also looking to get away and have some adventures, like us. What started as a casual interaction with that couple turned out to be an erotic surprise and a night I will never forget.....
