Mobocracy: The Cultural & Political War to Destroy our Republic Under God Jake Jacobs

Wake up America, before it is too late, before we have communism in America! The mobocrats mean business. Watch the culture war, study the mob, listen to their words and watch their ways and understand their demands to change and transform our Republic under God. The original tea party movement, our Founders, warned us that if we were to keep our Republic we would always have to remain diligent to the cause of freedom and vigilantly aware of those who would under the guise of freedom destroy life and liberty.

America is under attack. Its constitutional rights, institutions and values are under daily assault. But the principal culprits are not foreign terrorists. They are influential and powerful Americans, applying Marxist theory, secretly stirring up disunion and disloyalty in the shifting shadows of the Democratic Party. We have stealth terrorists in America. And, communism is creeping into America. Read this book. Pray for our country. Teach your children the Biblical principles our founders believed and lived. And support the men and women who are willing to set everything else aside and speak up for the truth. Semper Fi to the Republic!

About the Author

Jake Jacobs was in Madison Wisconsin during the culture clash and protests at the capitol and was swarmed by tens of thousands of mobocrats who kept shouting over and over again, "This IS what democracy looks like!" Kill the bill!" and "Stop Union busting!" The signs they carried were scrawled with R-rated words of hate. Being a history professor, Dr. Jacobs has spent hours researching the liberal mob agenda and in this book discusses the little known motives of Bill Ayers, Bernardine Dohrn, Tom Hayden, Acorn, and even Barack Obama. Each of these people and organizations, and more mentioned in the book, have a clear cut socialist/Marxist agenda, and believe that our free country is an enemy of the people. How they can think that this is the case is simply astounding, but what they are doing is unfortunately becoming more and more effective. Mobocracy will help you understand what you can do to stand up against the wrong being done, and pray that God will restore America which was once great, and now depends on Christians willing to be bold in their faith.
