Kerry has recently been dumped by her fiancé and is feeling down when she receives a trip to New Orleans as a present from her friends. When she visits a fortune teller at the beginning of her trip, she is told that a fantastic romantic adventure awaits her. That night, Kerry hears some suspicious noises coming from the hotel room next to hers, and when she goes over to look, a man rushes out to meet her. He says there is a strange woman passed out in his bed. Timidly, she enters the room and sees that the woman on the bed is the fortune teller Kerry had met that very afternoon...and she's dead. The man introduces himself as Matt, and so begins an adventure Kerry could never have imagined!
