Why Elders? A Biblical and Practical Guide for Church Members is a straightforward and readable guide concerning the biblical role of elders and deacons. Each of the four major chapters answers the question as to why elders are crucial in the church today. The elder model of church leadership is important because (1) it is the pattern of the New Testament Church; (2) it provides help and accountability for a pastor; (3) it produces a healthier church; and (4) it promotes the biblical role of deacons.
