Defined By Christ: Seeing Yourself through the Eyes of the Savior Toni Sorenson

So many of us stretch our faces with smiles wide enough to mask the pain we hide. So many of us go through the motions attending church, giving service, nurturing our families, learning and doing while inside we feel empty, broken, doubtful, and even guilty for the way we feel. We tell ourselves that if we'd only work harder, we would somehow earn the blessings of peace, security, and unconditional love for which we hunger. But are we ever wrong! Simply by virtue of being a child of God, each of us is already loved beyond comprehension, without boundaries or conditions. Yet sadly, many of us leave this heavenly gift unopened. Using the scriptures, words of prophets, insightful analogies, and stories drawn from poignant personal experiences, author Toni Sorenson illuminates the pathway toward opening this gift of divine love and finding lasting peace even amidst the shadows and storms of life. As we come to focus on God's goodness rather than our own weakness, we will recognize our own infinite worth, develop confidence in the plan of happiness, strengthen our ability to identify and overcome the lies of Satan, discover the power within us to find wholeness and help others heal, and experience for ourselves how good trumps evil. No matter what our disappointment or failure or loss may be, allowing ourselves to be defined by Christ will lift us out of darkness and into His light.
