## **Don't Worry About a Thing, Dear** Helga Hayse

Financial intimacy is about the sharing of financial information that affects each married partner. It's central to a committed relationship. Each partner is legally entitled to the information.

It is not about romance. It's about real life. The consequences of not knowing about your marital finances can be devastating if you are ever faced with widowhood or divorce.

You will learn what you need to know to protect yourself financially. You will learn how to understand the legal language of your estate plan and what you're signing on a joint tax return. Get answers to how to manage these and other financial obligations you will have if your husband dies.
